The Child and Family Studies Laboratory provide the following:

- developmentally appropriate classroom with a focus on social, emotional, physical, language and cognitive development
- engaging, hands-on curriculum
- low student-teacher ratio

Due to the nature of our program, we are unable to provide:

- assistance with feeding
- extensive assistance with using the bathroom
- exclusive one-on-one attention

If your child has these or similar needs, we will require and appreciate your help in assisting with your child during school hours.

We do not use the following information for admission purposes, but rather to make the best placements within our classes. Please check the appropriate box for each item below to help us meet your child's individual needs.
